The following Council actions were taken at the July 2 City Council Meeting:

- Awarded the 2012 Street Lighting Project bid to Q3 Contracting in the amount of \$88,962. The old 175 Watt Mercury Vapor lights and wood poles will be replaced with energy efficient 40 Watt LED fixtures and aluminum poles. The project will include the following locations:
 - Lake Cove Court off Harriet and Kent Street
 - Dudley/Crestview/Suzanne neighborhood east of Mackubin Street
 - Lake Beach Drive/Oxford/Lake Oaks Drive neighborhood off Lexington
- Rejected bids for a water booster station that would improve water pressure in the Lexington Avenue/Victoria Street area. The project was included in the 2012 City Capital Improvement Plan, but the lowest bid came in approximately 40% higher than the engineer's estimate.
